

Photography Accreditation

In line with the recommendation in the Cycling Time Trials Child Protection Policy, the promoters of this event request that any person wishing to engage in any video or still photography of children should register their details in advance. The promoter reserves the right to decline entry to any person unable to meet or abide by the promoter's conditions.

Professional photographers/filming/video operators wishing to record the event should seek accreditation with the Event Organiser by producing their professional identification for the details to be recorded. (Further details can be found in **CTT GN20 Appendix 2**).

Students or amateur photographers/film/video operators wishing to record the event should seek accreditation with the Event Organiser by producing their student club or registration card and a letter from their club/educational establishment outlining their motive for attending the event. (Further details can be found in **CTT GN20 Appendix 2**).

All other spectators wishing to use photographic/film/video equipment with a telescopic or zoom lens should register their intent with the promoter of the event.

Accreditation request (please complete in block capitals)

Surname:		Accreditation procedure: This accreditation system is being piloted as part of the Cycling Time Trials Child Protection Policy. It records the name, address and club of all individuals wishing to use telescopic or zoom lens photography. This information must be confirmed through the production of identification details (eg driving licence, passport). (NB Professionals should register prior to the event and their identification details should be checked with the issuing authority prior to the event). Promoters of events should issue an accreditation label on the day to ensure that anyone using a camera without having completed the accreditation process can be identified.
