Thanks to all for another brilliant event. Congratulations to everyone who managed to complete the event in such gruelling heat. A particular congratulations to the top 2 women in the event who battled it out to the end. Both very deservedly breaking the competition record.

We were pretty worried about getting enough people to help this year especially with very sadly losing some of our most dependable volunteers since the last event. I'm sure you'll all agree the event wasn't quite the same without Beryl Denman at the signing on table, Keith Hyatt on the Quina Brook circuit and Damon Peacock at Espley in the night, interviewing and videoing people left right and centre. They were all missed very much. Thanks so much to those people who come every year to help and to all those new volunteers who came forward this year and did a fantastic job.

I'd like to wish a particular thank you to my family who managed to keep everything running smoothly on the day when I was unfortunately unable to attend due to having to self isolate.

Yours in sport

Jon
