

## Reg Pearce Memorial TT 2023

Thank you all for taking part in the Reg Pearce Memorial TT and we hope you had a great ride and enjoyed the course and atmosphere.

The conditions were good, but by no means a float day. Competition winners are shown below and full list of riders results will be shown on the CTT website.

I hope you can join me at the next event my team (Legato RT) is hosting on a new 'out and back' course near Tamworth, K15/10 on the 9<sup>th</sup> July, which will be a quick course. Then on September the 17<sup>th</sup> I am hosting the VTTA National Championships on the K48/10, preference to VTTA members, but with a field of 150 riders I am sure everyone will get a ride.
