AND FINALLY.....

For the first VTТА National Championship of 2022, we were blessed with fine, dry weather: temperature in the high teens, a light wind and, making the most of the conditions... a talented field.

My thanks to all, riders, marshals, support staff and many others who just mucked in!!

None of it would have been possible without the organising skill of Mike Cotgreave.

Special thanks to NEC representative, Mike Penrice, whose patience, and advice was significant in so many ways. As many were aware, we had major issues regarding courses although ironically, we ended up on the original roads we had intended to use apart from Seven Sisters

Lane. Thanks must go to Ian Ross and Tony Millington for measuring and accrediting the course.

Congratulations to Debbie Moss and Richard Oakes on their respective Championship wins. To East Midlands on the Group win and Team Ohten Aveas on the club win.

At the local level, Alan Chorley led the way both on VAH and actual time.

One glitch, Seamons was named as best local team, however on a further check it is in fact Warrington RC. Their riders were Malcolm Horner, Warren Giddins and David Wright. Trophies will follow and Seamons will keep theirs as second team. My apologies to both teams.

Lynsey Astles was best local woman on actual time and Jayne Dickens best on VAH.

Some observations, good to see Ian Holbrook back in a competitive mode and with a good ride. The two trike riders, Vic and Alan, vying for the lanterne rouge prize, free entry into his next local VTTA event.

Another spot prize goes to Steve Loraine, Legato ...Similar for Alan, free entry to his next VTTA event and, finally, the same for Jayne Dickens.

Ken Workman donated a prize for the local rider lanterne rouge on VAH, well done Edgar Reynolds!

Looking forward to a less stressful couple of weeks, thanks to one and all.

Tony Farrell
