**ALL RIDERS. ALL TITLE SPONSORS. ALL PRIZE SPONSORS.
ALL EVENT VOLUNTEERS. ALL TIMEKEEPERS.
ALL SPECTATORS. ALL PHOTOGRAPHERS. THANK YOU!**

I'm still utterly speechless at the madness of Sunday's National Champs, I don't even know where to begin.

I could talk about the incredible performance of every single rider.
I'd have to write about the selfless work of everyone involved who made the event happen.
I couldn't miss talking about the tour-like crowds, lining this Cumbrian fellside to support the riders.
I might mention the epic scenes currently flooding social media from our time on the mountain.
I would absolutely have to thank Toby, bringer of all things noise and mayhem to the day.
There would have to be a special mention to Geoff Pickin, who conquered the course on his hand cycle.
I'd have to give a special mention to local cycling clubs Barrow Central Wheelers and Lakes Road Club, who have supported this event year on year.
For comedy value, I'd probably mention chasing sheep off the course at 6 am on Sunday...
I would definitely need to talk about the insane new course records set by Illi Gardner and Andrew Feather, chapeau.

Above all else, what I want to talk about is the reason I started this event in 2019. I wanted to create an inclusive event that would raise money year on year. This year, together, we have raised a life saving amount of money for the Great North Air Ambulance. As it stands we're edging close to an incredible £14,000! If this money can go on to save even one life, then all of this effort will be worth it.

2023 champs, it's been a pleasure. 2024, over to you Muckle CC, I feel a party coming.

Thank you

Jack
