I would like to thank all those who assisted in the promotion of this event. Without their help such events simply would not be possible. I hope those who rode enjoyed the day, despite the cold wind.

Sadly, there was one incident at the turn where one rider was extremely offensive towards a motorist, who I believe was actually stationary at the time. Such behaviour is totally unacceptable and indeed, should that motorist make a formal complaint, could jeopardise our ability to run events on this course, and even our sport in general.
