Course F2/15

Organiser: Chris Dyason (Cambridge CC) cdyason@hotmail.com 07970-093019

Timekeepers: Trevor Pedley, Peter Smith and John Cottee

When putting myself off no.1, followed by the tandems, I was just wanting to get back for HQ duties but on the day it resulted in me being the only solo rider to stay dry and Ian & Rachael, first home of the tandems, were the only tandem riders to get back to HQ dry. As I reached the HQ the heavens opened and the rain was torrential for several minutes. No surprise then that there were so many non-starters, most of whom had come intending to ride but decided against it (I've given all non-starters DNS(A) as a result).

The timekeepers and marshals need an extra big 'Thank You' this time as they all stuck to their posts and got a good soaking. In addition to Trevor, Peter and John who were timekeeping, the other helpers were: Andy Grant (snug in the HQ doing numbers and signing, plus a DNF rescue mission), Stuart Tait and Matt Polaine (start official and pushing), Peter Tibbitts (marshal onto A428), Bruce Williams, Mick Draper, André Dyason, Alice & Nigel Hodkinson (marshals and checking at Madingley roundabout), Ian Bell, Andrew Brown, Dave Sexton, Lucy & Paul Matthews (marshals and checking at Caxton Gibbet roundabout), Sue Rogers (assisting timekeepers), Keith West (result board display) and Paula Dyason and Kate Sanders (refreshments). Great work by all.

Despite the rain it was quite a fast day and several National Age records were set – pressure of time has prevented me checking and recording who and by how much.

Congratulations to all the medallists, the prize winners in the Open 15 and to the host of riders achieving PBs

We'll be running the open 15 again next year (no date yet) plus Cambridge CC's open 50 (The Viking Trophy) on F2/50 and the open 25 on F2A/25 those courses being four and two laps of the same stretch of road.

Thank you for the donations for refreshments; a total of £135.54 will be divided between the two regional air ambulance services.

Photographs from the event can be viewed at:
