A NOTE FROM THE EVENT SECRETARY

As always a huge thanks to my club helpers and officials. Today we had:

Paul Freegard – opening the HQ for you

Jeremy Tyzack – ensuring that the parking worked

Andy Cook – who took over as pusher off

Peter Iffland, Martin Priestley and Mike Gibbons who stood on the RABs and did traffic counts and ticked you off

Lisajayne Booth – who called out finish numbers

And of course to the timekeepers and officials above.

We owe a special thanks to Gigaclear who had road works on the Spine Road and took them in specially on Saturday after they were contacted.

Also of course thanks to the Bradstone Sports Pavilion for the use of their building and car parking which makes running the event so much easier.

Once again we had dry roads and the traffic counts were minimal, although it was rather cold and this probably explains the larger number of DNS riders, along with the recent rise in COVID. However, feedback was positive and I hope that journey was worth it.
