## 1. Thanks

We hope you enjoyed the event. As a club we are focussed on delivering high quality, inclusive & fun events with a friendly atmosphere. We believe that the club should be an integral part of the community and like to think of ourselves as a community of people that share a passion in cycling - which comes in many different forms. From racing to audax, from maintenance to time keeping and everything else in between. We believe that cycling should not be means tested and a club or community based on cycling should be all inclusive.

Wherever possible we will support local venues, local food providers and other amateur sports clubs - like the cricket club.

We'd like to thank our title sponsor Merlin Cycles for enabling us to deliver this event. At very short notice they agreed, without hesitation, to help finance the event.

We also had souvenir bags for all our participants, contents were provided by Kalas, Merlin Cycles, NAMEDSPORT (see offer further on in the book) and ourselves, Newbury Velo.

NAMEDSPORT also provided the banner we used for our "athlete village" at very short notice.

I'd like to thank all our volunteers, some of which helped myself and Rachael set up the arena from 05:30 in the morning, and were still there to help tear down at the end of the day. The many volunteers out on course keeping you all safe, the start and finish time keepers and those that were manning our results system - having only seen it days before. They gave up their day freely for a packed lunch and a pink t-shirt. All in the name of our club, Newbury Velo.

## 2. HQ

We were very lucky to be able to secure Hungerford Cricket club at short notice. Andrew Burbage, the custodian of the grounds, even cancelled a cricket match to enable us to use the facility. He then helped to set up the arena, stayed around all day to help & then helped us take everything back down at the end of the day. All without any promise of personal gain. On the buildup to the day we sold pods in our "athlete village" for participants to warm up in their teams, socially distanced of course. The funds from these pods were distributed evenly to two charitable causes.

One was the refurbishment of the cricket club and the other was our own project to provide cycling facilities to those with visual impairment. Something that is close to our club.

These projects are both supported by the Good Exchange and the Greenham Trust. This means every £1 donated is matched.

The projects are available for viewing here:
