 Promoted for and on behalf of Cycling Time Trials under their rules and regulations by
Minehead Cycling Club.

Event information

Course Description: Porlock Toll Road Hill Climb Course UH10 (amended August 2014)

Start: Approximately 150 Metres up the Toll Road from where it leaves the A39 Porlock Hill main road, by the two garages on the left hand side and opposite the Village Hall Car Park entrance on the right hand side. Proceed up the Toll Road for 4.2 miles to the finish which is approximately 200 metres short of the road junction where it rejoins the main A39 Porlock to Lynmouth road. The finish is located by a defined dip in the grass bank on the left and opposite a similar gap in the beech hedge with a dip on the right. Please note that there is a cattle grid after approximately 2.25 miles which can be slippery when wet.

Important Course Information:

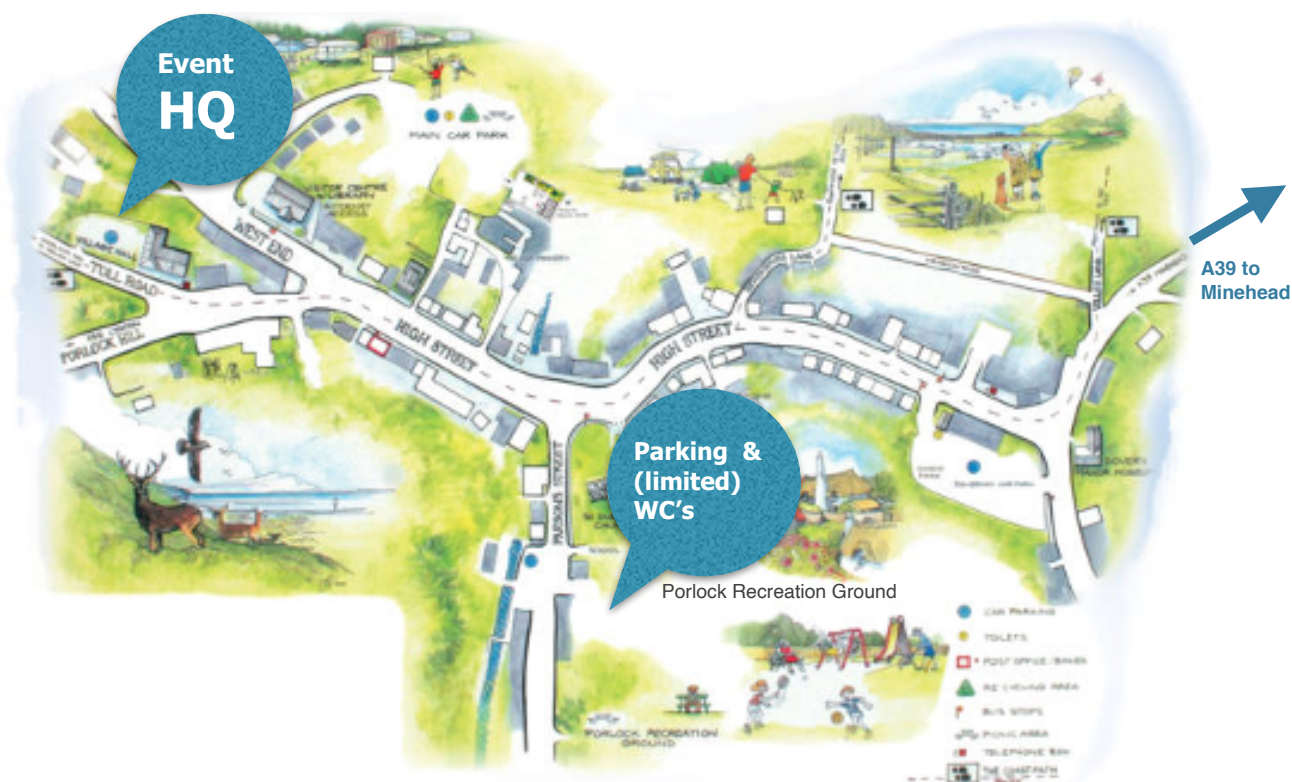

The Toll Road will be closed to vehicles from 8.00am - 3.00pm, from just before the start line to the finish. However, there are residents whose properties are located close to the course who may require access to the Toll Road during the event. Therefore, while Minehead CC have made residents of the Toll Road aware of the event there may be vehicles requiring access, therefore, please respect their needs and ride in accordance with the Highway Code.

When descending ride slowly and keep to the left hand side. Keep to the left of cones and obey marshals to avoid other competitors.

- * Please wash your hands when using the toilets for 20 seconds .
- * Please tidy up after you and leave the toilets as you would like to experience for yourself.
- * Please use the hand sanitiser provided.
- * Respect others and maintain social distancing if requested.

Thank you.
