# Important Safety Notices

**Please take note of new national regulations for 2022 – you will not be able to start without a helmet, front and rear lights**

## Safe Riding

Riders must comply with the Highway Code at all times.

Take great care when crossing and riding on the A32 road before the start. Do not use the A32 for warming-up or perform a u-turn on this road.

Please wait where directed by marshals before your start time.

At the finish, continue on without stopping and follow the recommended route back to the HQ. Do not retrace the route of the hill climb back to the start.

Any rider observed riding in a manner which may jeopardise his or her own safety, the safety of others and the future of the sport will be disqualified and reported to the South district council of Cycling Time Trials.

## Helmet Regulations

**All competitors must wear a properly affixed helmet** which must be of hard / soft shell construction. Helmets should conform to a recognised Standard such as SNELL B95, ANSI Z90.4, AUS/NZS 2063:96, DIN 33-954, CPSC or EN 1078.

It is the responsibility of the rider (or parent or guardian if the rider is under 18 years of age) to:

- (a) Select a Helmet that offers protection against head injury and does not restrict the rider's vision or hearing
- (b) Ensure that the helmet is properly fitted, is undamaged and in good condition

## Lights

**All riders must start with both a working front and rear light** attached to their machine.

## Under-18s

Competitors under the age of 18 years may only compete with the written consent of their parent or guardian given on the form(s) currently prescribed by the National Committee Parental Consent Form: <https://www.cyclingtimetrials.org.uk/documents/index/guardians>
